Appliances, Design and Consultancy

Contemporary, sleek and stylish designs. Smart technology and functionality.

Established in 1966, Tomkins Kitchens is a leading company in design and manufacture of kitchens and joinery.

Tomkins Kitchens focus on style, functionality, and most importantly value for money. Our long life kitchens are legendary and so is our commitment to taking care of our customer's long term.

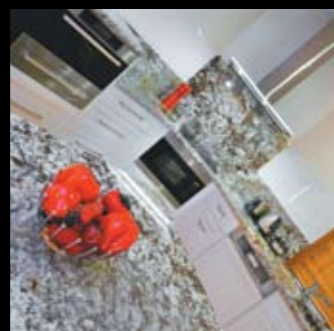

Visit our newly modelled showroom and take the next step into the future of kitchens and appliance design.

Kitchen design is reliant upon the choice of colours and surfaces to enhance the overall look; we not only offer the best design in cabinetry but also in functionality, to create a stunning kitchen with clever use of colour and material.

At Tomkins Kitchens technology plays a strong role and we offer a huge range of appliances, with intelligent electronics, time saving programs and much more

Our policy is one of continuous improvement, original ideas, new features and accessories and the latest in design and innovation.

Choose Tomkins Kitchens and you can be sure that you have made the smart choice when it comes to your kitchen.

Recognised for over 40 Years of award winning work. In the heart of your home, contemporary to classic, new or renovation we create a lifestyle not just a kitchen.
